BOS/25/NZ/20

Re: Open tendering for a supply of a new test bench dedicated for the new generation of automotive engines and hybrid powertrains provided for years 2020-2030, powered by alternative and synthetic fuels BOS/09/NZ/20.

Notice is hereby given that on May 4th 2020, BOSMAL Automotive Research and Development Institute Ltd. received enquiry from potential bidder, regarding the Terms of Reference (Polish: SIWZ).

1. Whether the air flow measurement device should additionally include an air filter?
2. Would the post-processing software be sufficient in the version of the software on the test bench, or should an office package also be offered?

The Contracting Authorities answer is provided below:

1. Yes, the air flow measurement device should additionally include an air filter.
2. The post-processing software version on the test bench will be sufficient.
